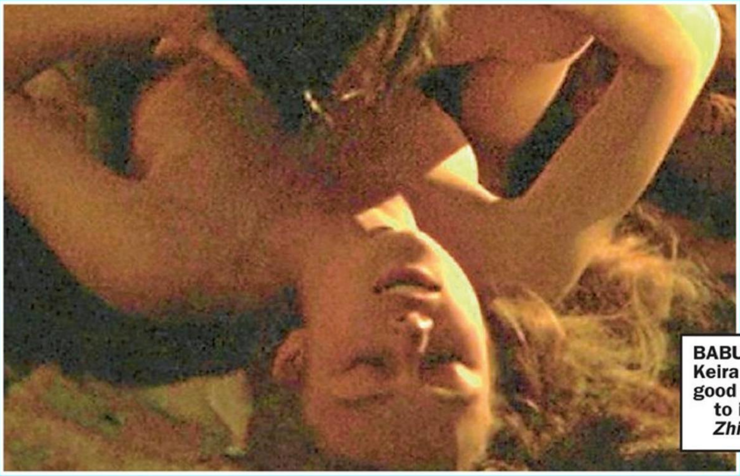
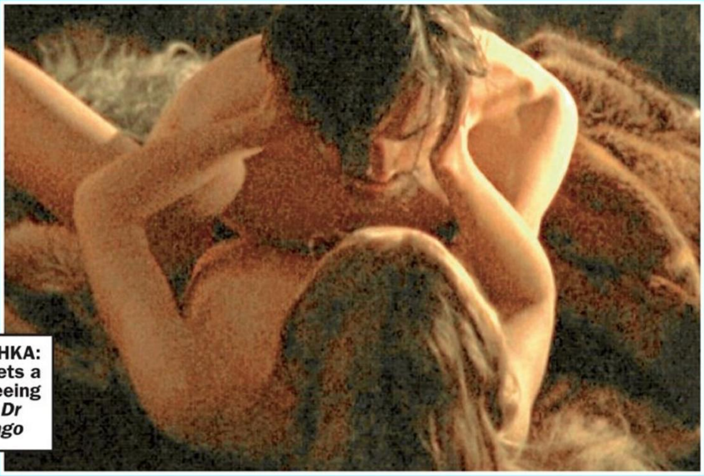
GABRIELLE SAINT NUDE PICS!

ANNA FRIEL

NICE: Anna shows her bush in *The Tribe* (above) and a nice shot of her tits in *Me Without You* (below)

BATHTIME FUN: Anna gives up the goodies in *The War Bride*





BABUSHKA: Keira gets a good seeing to in *Dr Zhivago*

FANCY A FRIEL?

Sexy babes Anna & Keira star in new flick London Boulevard

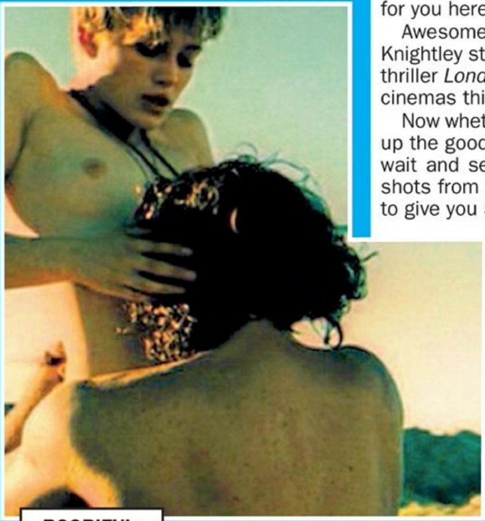
GOOD things come in twos as they say, and boy what a double delight we've got for you here fellas!

Awesome Anna Friel and cracking Keira Knightley star in the new romantic crime thriller *London Boulevard* which opens in cinemas this week.

Now whether the terrific twosome give up the goodies in that film we'll have to wait and see but here's a selection of shots from some of their earlier movies to give you a taste of their titties!

And we have to say that Lancashire-born Anna has been the more daring, 'cos the 34-year-old has even bared her BUSH in movies in the past, whereas London lovely Keira, 25, has only flashed her boobs.

But hey, beggars can't be choosers, and any bit of flesh these two chicks want to flash on screen is fine by us. Quality!



NIP-TASTIC: Nice tit show from Keira in *The Jacket* (left) and *Looking Over The Edge of Love* (below)

BOOBIFUL: Keira in *Domino* (above) and *Silk* (below)

UPSKIRT EXCLUSIVE

Cop a load of Louisa!

BILL BABE SHOWS HER PARTICULARS!

HANG on to your truncheons, lads, because here's luscious *The Bill* babe Louisa Lytton flashing her panties (and a bit of stubble, by the looks of it)!

Londoner Louisa, 21, who began her TV career playing Ruby Allen in BBC1 soap *EastEnders* and competed in the 2008 series of *Strictly Come Dancing*, joined the ITV1 cop show in 2007 as PC Beth Green and stayed until March this year.

And if she carries on revealing her gorgeous gusset like in this picture she's surely in danger of getting her collar — or something else — felt!

MILF SPECIAL

PATRICIA ARQUETTE

HOLLYWOOD sexpot Patricia turned all mumsy – and seriously spooky – for Living TV's supernatural crime thriller series *Medium*. The 42-year-old plays Allison Dubois, a medium who works as a consultant for a district attorney's office. She's married with three daughters (*two of them in the pic below*). Her other gift is a fit body which she displayed in 2001 movie *Human Nature* (*right*).

WOOD NYMPH: Patricia shows off her bush in *Human Nature*

HOTTEST

JAIME PRESSLY

PULLING herself out of the water, stunning Jaime, 33, displays her fab body in 1997 movie *Poison Ivy 3*. But telly viewers will know her better as Joy, the first ex-wife of Earl, as in *My Name Is Earl*. The Channel 4 show was axed by its American makers last year but you'll still be able to catch repeats.

SHE was television's ultimate MILF as the Oxo adverts mum for 16 years throughout the 80s and 90s. But before she became a household hame, Lynda, 62, was getting all bare-breasted and saucy with Robin Askwith in 1976 comedy *Confessions of a Driving Instructor*.

MILF SPECIAL

ESTHER HALL

ESTHER has become one of the best-known faces on telly as the BT ads single mum Jane whose relationship with Adam has captivated a nation. But has he seen her like this? Esther, 40, showed the lot in BBC's 2003 production of *Sons and Lovers*.

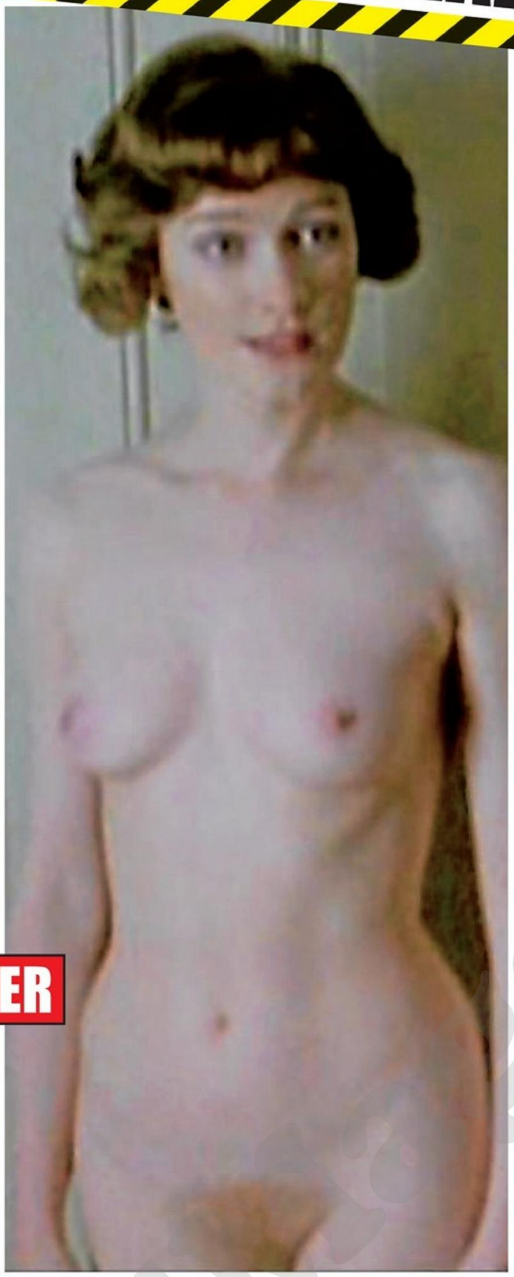
TV MUMS!

THEY'RE the ones we like to lust after. The telly mums we'd like to slip one to!

That's why they're called MILFs – Mums I'd Like To Fuck – and our TV screens are full of them. The wholesome sorts who you reckon would be shit hot between the sheets. Well, we've found out that some of them certainly are . . . on the big screen at least!

Here's our pick of the babes who've shown at lot more in the movies.



CLAIRE SKINNER

CURVY Claire is mum Sue who with hubby Pete are the Brockmans – *Outnumbered* by their three unruly children in the hit BBC1 comedy of the same name. And the 45-year-old proved what a yummy mummy she is when she went full frontal for 1997's *A Dance to The Music Of Time.*

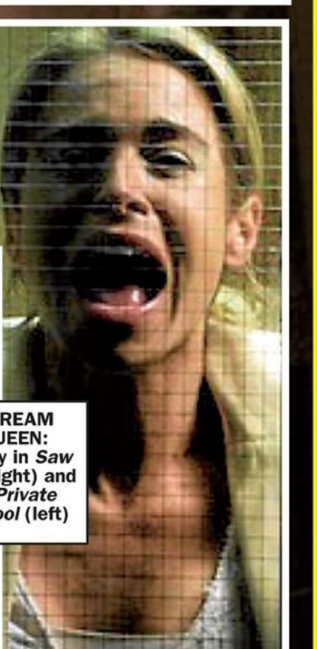
LYNDA BELLINGHAM

SAW VII BABES BARED

THE final instalment of the *Saw* movies is out – *Saw VII 3D* – and it's the most horrific yet. But, thankfully, it's got some top babes in it. And while they might not get their kit off in the movie . . . we've found ones in which they have!

OOOOH BETSY: She plays Jigsaw's murdered ex-wife Jill Tuck . . . but Betsy Russell didn't tuck anything away in 1983 flick *Private School*

LOVIN' IT: Gina Holden, who plays Joyce in *Saw VII* has a lesbo clinch in *The L Word*



SCREAM QUEEN: Betsy in *Saw VII* (right) and in *Private School* (left)

CELEBRITY SNATCH

MARY-LOUISE PARKER

LUCKY old Bruce Willis. He gets to appear alongside tasty Hollywood babe Mary-Louise Parker (*above*) in new movie *Red.*

And he'd certainly be impressed if he'd seen some of her other roles.

Mary-Louise, 46, has been making a habit of flashing in telly series. Here she is (*below*) in raunchy Sky show *Weeds*. And she went even further for a part in mini-series *Angels in America* (*right*) back in 2003.

There wasn't much left to the imagination either in one of her many movie roles (*above, right*) 1991's *Grand Canyon.*

We're not aware of any such moments, though, in *Red* – a graphic novel adaptation starring Bruce Willis, Morgan Freeman, John Malkovich and our own Helen Mirren as retired CIA agents on the run.

FLASHER: Mary-Louise uncovers her boob in *Weeds*

CELEBRITY SNATCH?

PERRY NICE!

Are naked net pics really Katy?

...but this definitely is!

If that camerman gets any nearer Russell's going to smack him

JUST look at what those cheeky internet pranksters have been up to now — they're claiming these two naked shots are of Yank warbler Katy Perry!

Now we don't think for one minute they are but hey, let's have it right, whoever these girls are, they've got a cracking pair of tits and fab fannies.

But the pic on the right IS Katy, performing on stage in New York recently and accidentally giving us a glimpse of a very impressive camel toe.

The 25-year-old *I Kissed A Girl* singer is currently engaged to Brit funnyman Russell Brand, and looking at Katy's pic you can see why the long-haired lothario always has a smile on his face…lucky bastard!

It's the FU

A MAN is in a queue at Tesco and sees this busty blonde staring at him, then she starts waving.

"Excuse me, do I know you?" he asks. "Yes," she replies. "I think you're the father of one of my kids."

The man thinks back and remembers his one act of infidelity and says: "Fucking hell! Are you the bird I shagged on my stag do, while your mate whipped me and your other pal stuck a brush up my arse?"

"No" she replies. "I'm your son's English teacher!"

A GUY falls asleep on the beach and gets a horrible sunburn.

He goes to hospital and is admitted with second degree burns.

With his skin starting to blister and seeing the severe pain he is in, the doctor prescribes an IV with saline, electrolytes, a sedative and a Viagra pill every four hours.

The nurse, who is rather astounded, asks him: "What good will Viagra do him, Doctor?"

The medic replies: "It'll keep the sheets off his legs!"

HUMPTY Dumpty sat on his bed,
As little Bo Peep was giving him head.
Just as he came she began to weep,
She could tell by the taste he'd been shaggin' her sheep!

A NEW sex survey has found that the favourite position among married couples is doggy-style — the man kneels by the bed begs and the woman rolls over and plays dead!

A FEMALE CNN journalist heard about a very old Jewish man who had been going to the Western Wall to pray, twice a day, every day, for a long, long time.

So she went to check it out. She went to the Western Wall and there he was, walking slowly up to the holy site.

She watched him pray and after about 45 minutes, when he turned to leave, using a cane and moving very slowly, she approached him for an interview.

"Pardon me, sir, I'm Rebecca Smith from CNN. What's your name?"

"Morris Feinberg," he replied.

"Sir, how long have you been coming to the Western Wall and praying?"

"For about 60 years."

"60 years! That's amazing! What do you pray for?"

"I pray for peace between the Christians, Jews and the Muslims."

"I pray for all the wars and all the hatred to stop."

"I pray for all our children to grow up safely as responsible adults, and to love their fellow man."

"How do you feel after doing this for 60 years?"

"Like I'm talking to a fuckin' wall."

Cheers, darlin'!

Suck-hole bra!

AN old couple are sat in Church, as they have done every Sunday for 50 years.

During the service the old man whispers to his wife: "I've just done a silent fart. What should I do?"

His wife replied: "Put a fucking battery in your hearing aid!"

AFTER a night on the town, a young woman took a guy home.

"You can't make a noise," she said. "My dad's upstairs and if he finds out he'll kill you."

After a while, he said: "I need the loo" and she said: "You'll have to use the kitchen sink."

A few minutes later, he popped his head around the door and asked: "Do you have any toilet paper, or should I use a kitchen towel?"

THERE was an Englishman, a Frenchman, a sexy blonde and an ugly fat lady on a train.

After several minutes the train goes through a dark tunnel and the unmistakable sound of a slap is heard. When they leave the tunnel, the Frenchman has a big red mark on his cheek.

The blonde thought: "That French son of a bitch wanted to touch me and by a mistake must have put his hand on the fat lady, who in turn must have slapped his face."

The tubby thought: "This dirty old Frenchman laid his hands on the blonde and she smacked him."

The Frenchman thought: "That fucking Englishman put his hand on the blonde and by mistake she slapped me."

The Englishman thought: "I hope there's another tunnel soon so I can smack that French twat again!"

When Paddy was asked why he had such a long password, he replied: "Bejazus! are yez feckin' stupid? "Shore oi was told me password had to be at least eight characters long and include one capital!"

A STUDY asked a group of women if their cunts twitched after sex. 98% said: "No, he just lies there scratching his balls!"

A LONELY widow, aged 70, decided that it was time to get married again so she put an ad in the local paper that read: HUSBAND WANTED: MUST BE IN MY AGE GROUP (70s), MUST NOT BEAT ME, MUST NOT RUN AROUND ON ME? MUST STILL BE GOOD IN BED!!!!! APPLICANTS PLEASE APPLY IN PERSON.

On the second day, she heard the doorbell.

Much to her dismay, she opened the door to see a grey-haired man in a wheelchair. He had no arms or legs and the old woman said: "You're not really asking me to consider you, are you? Just look at you — you have no legs!"

The old man smiled and said: "Therefore, I can't run around on you."

She snorted: "But you don't have any arms, either!"

Again, the old man smiled and replied: "Therefore, I can never beat you."

She raised an eyebrow and asked intently: "Are you still good in bed?"

The old man leaned back, beamed a big smile and said: "I rang the doorbell, didn't I?"

What does a dwarf get when he runs through a girl's legs? A clit round the ear!

PADDY walks into his mate Mick's barn and catches him doing a striptease in front of a large piece of farm machinery.

"What the feck are you doing, Mick?" asks Paddy and his pal replies: "Me and Mary haven't been getting along lately and the doctor recommended I do something sexy to attract her."

AFTER some great sex, she lies there gently stroking and massing his prick.

He asks her: "Do you want more sex?"

"No," she replies. "I'm just admiring your cock — I really miss mine!"

A DUCK walks into a bar: "Got any Bread?" Barman: "No." Duck: "Got any bread?" Barman: "No." Duck: "Got any bread?" Barman: "Are you fucking deaf? We haven't got any fucking bread. Ask me again and I'll nail your fucking beak to the bar!"

Duck: "Got any nails?"

Barman: "No."

Duck: "Got any bread?"

How do you turn a fox into an elephant? Marry it!

I WAS asked to leave the local swimming pool, as the large bulge in my Speedos was upsetting other swimmers.

I pointed out another guy in similar trunks and asked why he wasn't asked to leave and was told: "Because he hasn't shat himself!"

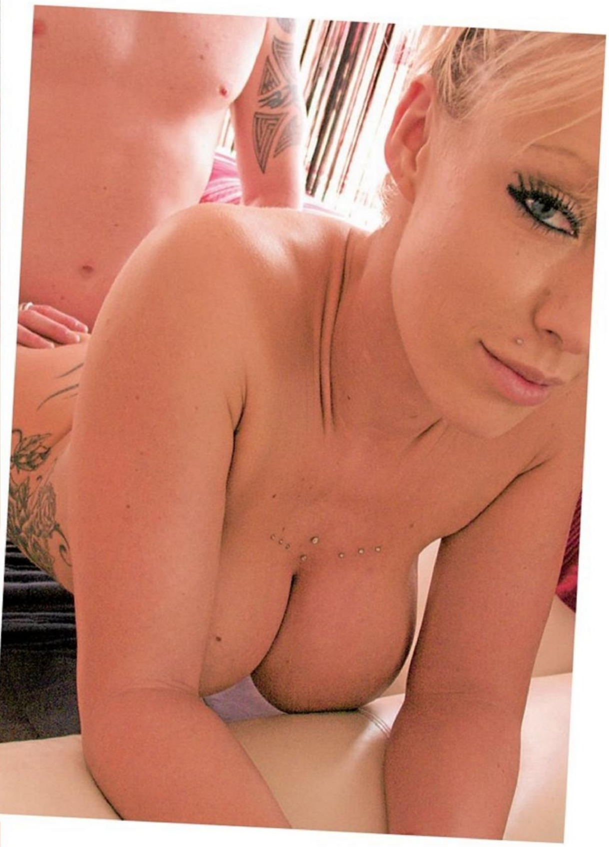
BROOKE JAMESON



CASH-HIT BABES GO FOR BROKE

SHAFTA-winning director Andy Ide returns to Television X this month with a brand new mockumentary series blurring the line between sexy facts and saucy fiction in *Recession Whores*.

He's hired a whole host of porn stars and escorts to show how bad the economic crisis has hit everyone – leading some ordinary people to choose a career path in the adult industry.

Indian escorts are few and far between so Andy has found a young lady called Rishma (played by porn star India) who dresses up in saris for men who like a bit of Eastern spice. Rishma was made redundant and turned to escorting in times of desperation but discovered the whole thing was much sexier than she expected and that she could provide her punters a unique experience.

Brooke has also suffered a cruel cash-flow problem and found her way to turning tricks via stripping.

She loves taking her clothes off and she loves screwing men even more, so after a few whispered words in her ear from other like-minded dancers she started having money for sex.

Andy has invited his mate Peter O'Tool to be her pork sword for the day so the

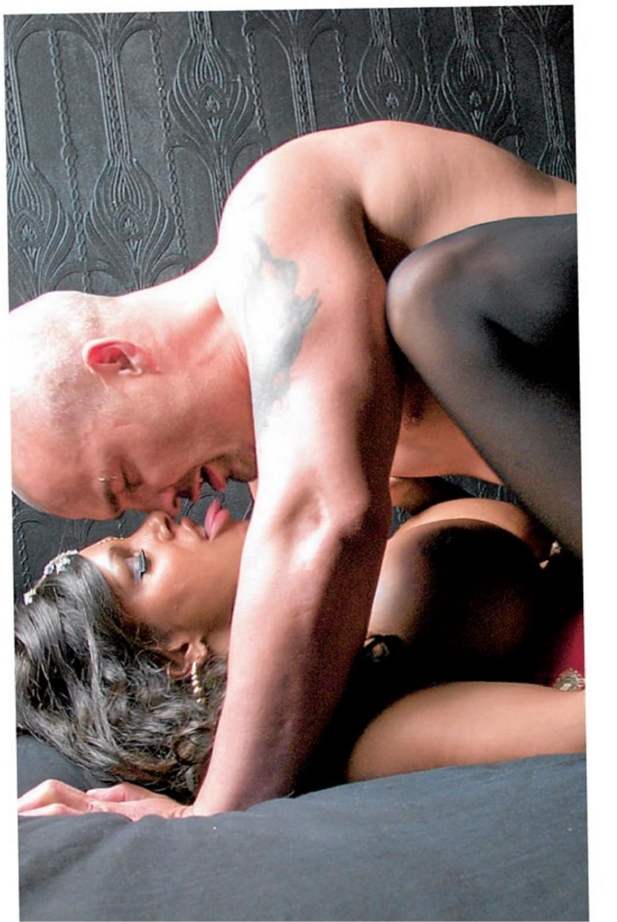
INDIA



three of them convene at Pete's flat for the session.

Andy decides to mix things up a little for old pal Pascal and hires Mistress Elizabeth (played by top American porn star Jordan Kingsley) who specialises in powerplay and can be either submissive or dominate according to the bloke's tastes.

Unfortunately for him she's got totally the wrong end of the stick and arrives thinking she's a dom for him and starts to slap him about before he can explain!

Andy does love soft and sensual lesbian scenes and as he's the one dolling out the cash for these escorts he decides it's time to engineer a hot girl-on-girl scene.

After trawling the internet, he's found a cute young and bi-curious girl called Amy (Faye X) in a chat room who's desperate to try licking fanny for the first time. His escort for the day has dropped out and he's roped in a stranded Latino babe (Valery Summer) who's trying to earn enough for her flight home.

The recession might be hurting average Joe's wallet but it's sure to be improving his sex life with more and more sexy hotties turning tricks to pay the bills.

Tune in to Television X, Sky channel 903, Freeview 93 and Virgin On Demand every Thursday night in October at 10.10pm to see ordinary but beautiful girls getting on the game.

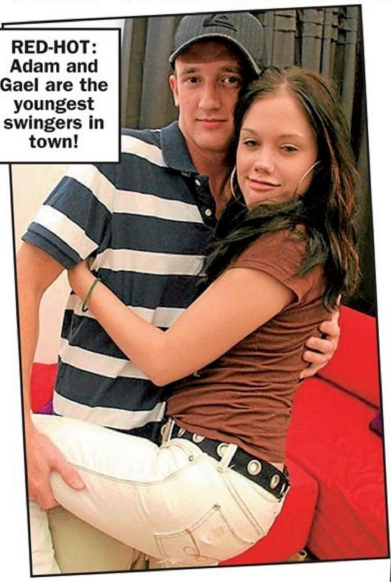
As millions tune into hit partner-swap SWING



RED-HOT: Adam and Gael are the youngest swingers in town!

NEW ITV1 partner-swap series *Swingtown* has been getting rave reviews since it started airing on Tuesday nights.

But though people seem to like the American show (*inset, right*), there's not a lot of the old how's yer father on show.

In fact, it all seems a little tame so *Adult Sport* decided to ask a REAL swinging couple what goes on at their parties.

And Adam Shawcross and his girlfriend Gael Lafferty have got to the the youngest swingers in town because they are only 22 and 20 respectively!

Even so, they certainly know what they want — and can't get enough of it, as our EXCLUSIVE snaps show.

Plasterer Adam and trainee hairdresser Gael live in a neat semi in Crewe, Cheshire, and they attend swinging parties every weekend.

Adam said: "We are pretty new to the scene but we have made lots of friends and we could go swinging every night if we wanted to. But we find that once is enough because it's usually five or six hours of SOLID FUCKING!"

But though they always go to parties together, they don't always both get laid.

Gorgeous Gael explained: "Sometimes I don't feel like it and other times it's Adam who is under the weather or just can't be bothered.

"But one of us is always up for it so the other just settles down

ITV1 show, we take a look at the REAL . . . TOWN!

and watches the 'show', which can be a huge turn-on in itself, even if you are feeling ill."

And the couple revealed that they prefer to "party" with older couples, rather than ones their own age.

Adam added: "We have been to swinging dos with people our own age but everyone just gets pissed and then they can't perform.

"Whereas if you go to parties with people in their 30s and 40s, they are only interested in one thing . . . FUCKING!

"Don't get me wrong. They will have a glass of wine but they don't get blitzed."

Gael agreed. She said: "I'm teetotal anyway and I hate to see people drunk — no matter what their age is.

"And in any case, you can't perform as well if you are full of alcohol.

"I love a good, hard drilling and I like it to go on for at least an hour.

"And I have found that if the guy has been drinking a lot, he just can't keep a boner going."

She added: "The guy in these photos is teetotal, too, and sex with him was amazing.

"He gave it to me in every hole — including my bottom — and I loved every fucking thrust.

"I am not lying when I say that I had 13 orgasms during our three-hour session and Adam, who had a cold, managed to have three or four wanks just watching us going at it.

"In fact, the bloke was so good that I completely ignored all the other guys and just concentrated on his cock."

As a parting gift, Gael offered our reporter a "gobble" but, like all good investigative journos, he made his excuses and left . . . to have a wank round the back of their house!

CELEBRITY SNATCH

JODIE FISHER

THIS is the actress at the centre of a row that cost an American company a staggering TEN BILLION dollars.

It was Jodie Fisher's sexual harrassment complaint against Hewlett Packard chief executive Mark Hurd (*above*) and his subsequent resignation that led to the incredible plunge in the company's market value.

Although the company found that he did not harass Ms Fisher, he was said to have breached business standards guidelines by allegedly altering expenses claims in order to cover up the pair's friendship.

From these stills, you can certainly understand what he saw in the 50-year-old, who worked as a marketing support consultant for HP between 2007 to 2009.

Jodie has since said that she's sorry he lost his job – and that they never had sex.

Well, this is what he was missing, folks!

She's pictured here in 1998's *Dead By Dawn* (top left and right), *Body of Influence 2* from 1996 (top right) and (below) *Sheer Passion* (1998).

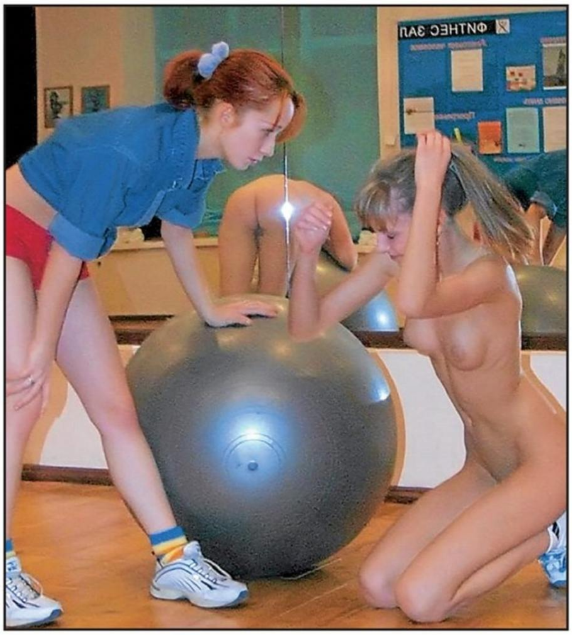
CARLSBERG DON'T DO GYMS, BUT IF THEY DID...



REMEMBER those classic TV adverts that Carlsberg ran in which whatever they turned their hands to was the best in the world?

Well cast yer mincers over these pics taken in a Russian gym and you could be forgiven for thinking it was a work out centre run by the Danish brewers.

It would be well worth the smell of sweaty bodies and stale socks in the changing rooms if you got to see sights like the pics on this page.

Imagine going to your gym for a session of bench presses and a bit of the old circuit training and clapping yer eyes on this lot baring their tits, quims and arses!

We'd like to bet that the only exercise you'd be likely to get involved in would be a bit of spanking the monkey.

Top 5 X-rated Hallowe'en flicks

IT'S that time of the year again . . . when annoying bastards dressed as ghosts and ghouls wonder around the streets looking like twats! Well, we've trawled the internet and come up with the Top 5 porn horror flicks to help you get through this Hallowe'en and avoid the aforementioned pillocks.

At No1 is **Satan's Whore**, starring Adrianna Nicole, Dana DeArmond, Claudia Rossi and Bobbi Star. It's the story of how, on the sixth day of the sixth month in 1966, a secret Satanic cult held their last-ever black mass — not to raise the devil but to create the perfect sexual creature known as Satan's Whore, who takes it up EVERY HOLE!

Coming in at No2 is **My Scary Movix**, with Daria Glower, Claudia Rossi, Julie Silver and Melissa Lauren and is about a group of camping enthusiasts who like to get naked and have a nice SHAG!

The Taunting at No3 is a twisted tale of evil and lust among college girls in a scary monastery. This one features Katia Kassin, Reagan Reese and Daphne Rosen's gigantic tits!

At No4 is **The Texas Vibrator Massacre** and it features Jamie Elle, Daisy Tanks, Ruby Knox, Bella Lynn and Roxy DeVille as friends travelling through Texas who get lost and end up with a crazed family of psychos with a gruesome secret.

Last but by no means least is **Camp Cuddly Pines Power Tool Massacre**, with Stormy Daniels, Cherokee, Jessica Drake and Nicole Sheridan as a bunch of pals off to a concert who accidentally run over a homeless dude. Stacks of hard-core action here.

GABRIELLE SAINT GIVES HER TWAT A GOOD LATHERING!

HERE'S gorgeous Gabrielle Saint, having a splashing time in her bathroom.

And aren't we the lucky ones because the sexy 23-year-old Czech-born stunna invited *Adult Sport*'s snappa to join her at the Edinburgh flat where she now lives.

But don't get excited, lads, because he was there to take these sexsational snaps, not to help the lovely lather up her cracking quim!

But we have a confession to make because while he was snapping away at the 32G babe, he got one hell of a hard-on and had to take a wank break!

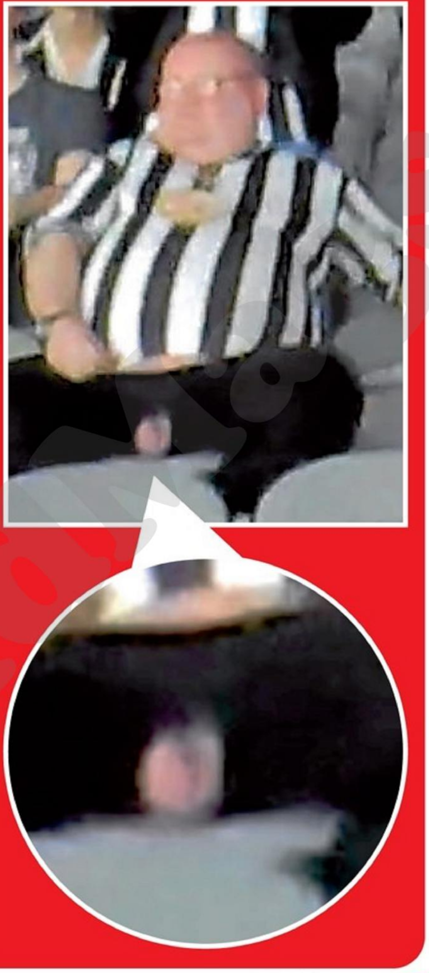
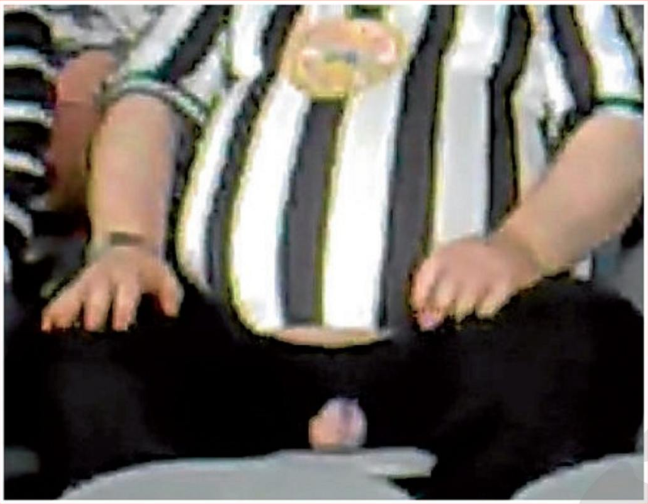
HOWAY THE ’NADS!

...but let’s have it right, he’s no Cock o’ the North is he?





BLESS him, this fella’s got so excited watching his beloved Newcastle United that his meat & two veg has popped out of his pants.

Now we know it can be a tad on the chilly side up at St James’ Park, but let’s face it, this fella’s not exactly well blessed in the cock department is he?

But the little fella’s so engrossed in the game he seems blissfully unaware that his little soldier is out on parade, complete with dangleberries.

And by the look of him, he’s no stranger to the pie shop either.

So perhaps if he’d eaten less of the old meat and potato delights, his clobber wouldn’t have been so tight on him and his tiny todger would have remained out of sight.

LEZZERS AHOY!

ALL aboard the Skylark! Fuckin' hell, this is the sort of cruise we'd love to be on.

These two babes were booked for a naked photoshoot aboard a swanky yacht in the Caribbean, but before long things got a little out of hand.

Our snappa Reg said: "It started off OK, but when the girls began to soap each other up I could tell they were getting turned on.

"And it wasn't long before they were swapping spit, licking each out and getting down to somer serious finger fucking.

"I don't mind telling you it was hard (fnar fnar) to keep taking pics with all that horny action going. It was a hell of a job but hey, someone had to do it!"

CELEBRITY SNATCH

JENNY AGUTTER

GRAVE ROBBERS: Pegg and Serkis in ***Burke and Hare***

IF you were going to snatch a body, then Jenny Agutter's would be top of your shopping list!

The beauty never fails to stir the loins of us at *Adult Sport* with scenes like (*top right*) from *Sweet William* (1980) and horsey shocker *Equus* (1977) in which she showed the lot (*right and below*).

And the 57-year-old still looks fit as fuck for her latest part in comedy horror *Burke and Hare*.

She's only got a small role in the flick, starring Simon Pegg and Andy Serkis (above).

But it reunites her with director John Landis who she last worked together with on 1981's *An American Werewolf In London*.

Jenny said: "It's a very funny script. Landis manages to make the horror and comedy sit so closely together."

RAW IN THE HAY: Jenny bares all in ***Equus***

SECRET SEX VID OF TV SINGING STAR!

You'll know who she is when you see her in action!

LISTEN to the noise this songbird makes with eight inches of fella inside her.

When this sensational footage arrived in our offices anonymously last week we couldn't believe what we were watching.

One of Britain's favourite singers NAKED on a bed and enjoying a huge penis!

Her microphone technique on stage may be good but the expertise with a penis is world class.

She is seen licking the glistening shaft, taking the shaven balls into her mouth and deep-throating the lucky fella almost to the point of no return.

She then climbs on to him and in reverse cowboy position rides him enthusiastically until she reaches a noisy climax.

He then gets to finish off all over her magnificent breasts. Our lawyers say we can't name her but we can run this vid and let you see for yourself.

You'll be amazed. But be warned, this is one of the hottest vids we've ever offered for download, so it's strictly 18s and over.

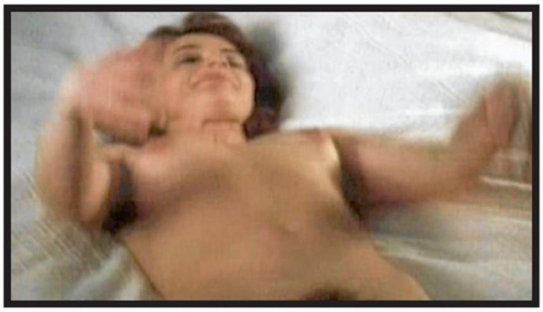
Hottest stars with names that remind us of beer

MARIKA LAGERCRANTZ



WE all enjoy a beer or eight at *Adult Sport* so while we were thumbing through our vast collection of babes who've stripped on film it suddenly occurred to us . . . some of them remind us of BOOZE.

Gorgeous Jodie FOSTER sparked us off on a search for stars with names like our favourite brews. Marika LAGERcrantz was perhaps stretching it a bit . . . but check out their BODDIES folks!

DOUBLE DVD

Two helpings of red-hot action

GRAB hold of your weapons, fellas . . . we've got a great DOUBLE bill with our FREE DVD in this issue of *Adult Sport*.

For starters, there's porn legend Ron Jeremy in *Sex Idol*. Prepare for all-out sex action as the flick tells of Woody Limpman, a snivelling geek who screens porn for a living.

Then one day he begins getting pointers from the world's greatest super stud (yes, none other than Jeremy) and suddenly Mr Limpman is transformed into a dynamic ball of sexual energy.

And your main feature, folks, is *Jane Blond DD7*.

Hotty Carmen Luvana is the super spy with the skills needed to save the world from an evil genius madman played by stud Tommy Gunn.

There are plenty of laughs in this tongue-in-cheek affair . . and plenty of red-hot sex too.

In our DVD you can access action involving Michelle Maylene, a lean newcomer with an exotic look,

She seduces Derrick Pierce and they land on a couch as he begins the real action by going down on her with her reciprocating on his cock in her usual playful manner. She skillfully tongues and sucks it to full erection as she rubs herself to warm up even more.

They screw in several positions and it ends as he shoots out a huge load all over her chest.

There's all this and MORE folks on our sizzling FREE DVD.

It's in the bag with this mag!

MOVIES

IT'S CRAPTASTIC!

PARANORMAL ACTIVITY 2 ★★★★★

SPOOKY hauntings are once again the main course in this follow-up to Oren Peli's wildly-successful supernatural thriller *Paranormal Activity* which, if you can remember, made lots of otherwise calm people crap their pants when it hit our cinema screens last year.

And this follow-up is just as scary. In fact, even the TRAILER was pulled from cinemas in America because it put the willies up so many people.

Paramount, which is releasing the flick, have been tight-lipped about giving away the plot but we can tell you that *Paranormal Activity 2* is similar to the previous film as to the camera angles or how they show the footage.

But this sequel has added some awesome twists to the plot for the film that stars Katie Featherston and Gabriel Johnson, as demon-killer Raphael Omen (cool name, or what?)

Anyway, it hits cinema screens on October 22 so stock up on toilet paper and extra-absorbent undies because if all the rumours are true then you are going to need to clean yourself up once you leave the cinema!

THE DEBT ★★★★★

THIS movie tells how, in 1965, three young Israeli Mossad agents on a secret mission, capture and kill a notorious Nazi war criminal known as The Surgeon of Birkenau.

Now, 30 years later, a man claiming to be the Nazi doctor has surfaced in the Ukraine and one of the former agents — Rachel Singer, played by Helen Mirren — must go back undercover in Eastern Europe to uncover the truth, even though this means she must relive the trauma of those events.

BURKE AND HARE ★★★★★

THIS black comedy is based on the true story of the famous grave robbers-turned-murderers William Burke and William Hare — played by Simon Pegg and Andy Serkis — who find a lucrative business supplying cadavers for an Edinburgh medical school.

There are loads of top names in this film, including Tim Curry, Jenny Agutter, Ronnie Corbett, Isla Fisher and even legendary horror movie star Christopher Lee, playing a character called Old Joseph.

SAW VII ★★★★★

IF you enjoyed *Saw, Saw I, Saw II, Saw III, Saw IV, Saw V* and *Saw VI* then you've love this version, which is in 3D!

In this one, a deadly battle rages over Jigsaw's brutal legacy as a group of Jigsaw survivors gather to seek the support of self-help guru and fellow survivor Bobby Dagen (Sean Patrick Flanery), a man whose own dark secrets unleash a new wave of terror.

Tobin Bell is Jigsaw/John with Cary Elwes as Dr Lawrence Gordon.

GADGETS

THE TORTURED ★★★★

DEVASTATED by the kidnap and murder of their young son, Elise (Erika Christensen) and her husband Craig (Jesse Metcalfe) are further distressed when the man accused of the crime is set free prematurely.

So the couple kidnap the killer and hold him hostage in the basement of a remote country house, where they intend to inflict the same pain and torture on him as they believe he inflicted on their son.

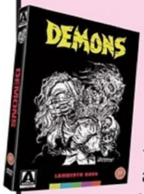
THE TORTURED

They firmly believe that this "eye for an eye" vengeance is not only justified, but will also heal their own mental wounds.

But just how far they are prepared to go before "justice is served" remains to be seen in this excellent horror shocker that's released on DVD and Blu-ray on October 18 by E1 Entertainment.

DEMONS ★★★★★

THIS Gonzo horror movie of the 1980s is a frenzied slice of gore heavy shock cinema that gives up on logic and instead assaults the screen with a riot of X-rated violence, face-chewing zombies and pounding heavy metal.



In a mysterious cinema, an audience are watching a brutal horror flick when the horror rips out of the screen, unleashing a swarm of drooling demons who are intent on spreading their evil plague across the globe.

If you're thinking *Gremlins*, then think again because this is a masterpiece of gory mayhem which is out on DVD now courtesy of Arrow Video with a host of extras, including a double-sided fold-out poster, booklet and comic.

From the Producers of the "Banned" Grotesque

Broadcast Murder Show™
DEATH TUBE – THE ULTIMATE REAL-TIME ONLINE KILLING GAME.

GORE BLIMEY!

DEATH TUBE ★★★★★

IF you like your gore flicks, then you will LOVE this little beauty, which is out on DVD now thanks to 4Digital.

It's an extreme splatter movie from the director of *Chanbara Beauty* and *Tokyo Gore School* takes place on-line at the site known as "DeathTube".

Tragedy begins with curiosity, when the on-line killer website broadcasts scenes of death in real time.

Viewers are immediately drawn to the site and are shocked by what they see.

Against their will, random viewers are then selected to enter the killing game and it is literally a life and death situation to survive in this ultra-cruel spectator sport.

As you can see from the still from the movie (above), this is definitely not for the faint-hearted but if you are a fan of the Saw movies then you will love it.

But I suggest that you don't try any DIY work — especially drilling — after you have viewed this flick because if your other half just happens to say the wrong thing then she may end up with a gaping hole in the side of her head!

HIGANJIMA: ESCAPE FROM VAMPIRE ISLAND ★★★

SCREEN vampires have never been hotter and this horror movie based on the best-selling manga series by Koji Masumoto which is out to buy now on DVD and Blu-ray courtesy of Manga Entertainment is ace.

ESCAPE FROM VAMPIRE ISLAND

It's about a guy and some pals who go looking for his missing brother on an island ruled by vampires. He finds him and the group set about trying to escape, slaying as many of the evil bloodsuckers as they can on the way.

TEMPTATION ★★★★

HERE'S another vampire flick, only this one is BRITISH — and brilliant!

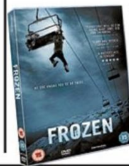
It's set in London, a city that's become the nesting ground for bloodthirsty female vampires led by Aurelie (Rachel Waters) and their sole purpose is to feed off the blood of mankind and lure their victims to an agonising death.

TEMPTATION

It's released on October 25 on 2-disc Limited Edition (DVD and Soundtrack CD) by Eureka Entertainment.

FROZEN ★★★★★

THIS chiller (geddit?), released on DVD and Blu-ray on October 18 by Momentum Pictures, stars Shawn Ashmore, Kevin Zegers and Emma Bell as three twentysomethings hoping to spend some quality time skiing and snowboarding in the picturesque resort of Mount Holliston.



But they end up being stuck on a chairlift shortly after the resort closes for a week!

FREE if you spend over £30!

Special Import Beasty Girls 1

- no descriptions allowed but the strongest film of this type that we've ever seen. Very graphic & sometimes disturbing. Eastern European women 22-57.

Special Import Biggest Tits 2

- See the World's top 20 porn stars with massive tits. Theola (32) is a famous German porn star who will only allow white meat inside her bum, never her vagina. She allows her partner 10 minutes only, to use her massive tits, then she demands a good hard fucking up the bum with the final climax rubbed into those tits.

Special Import Pensioners Fucking 3

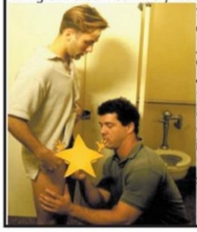
- See Germany's pensioners aged 60 right up to 79 having sex with their husbands or a willing male model. You've gotta admire German willing, they'll fuck anything, as you'll see, when Helga (67) agrees to have bum sex with armless Boris (38 & still a virgin). He climaxes after only 3 minutes of oral, in her mouth. 22 other pensioners do all sex inc. bum, bi & fetish.

Special Import Strict Mistresses 4

- It's true what they say about German women being stern & severe. German Mistresses however, make regular German women look like pussycats. See 17 of Germany's strictest Mistresses administer punishment & crime on their weak submissive male & female slaves, whose only wish is to serve her.

Special Import Gay Sex In Public Toilets 5

- 25 scenes of gays meeting in public toilets & having oral & bum sex. Very little verbal in this film, no polite conversation, just hard fucking of gays who are strangers to each other. Some straight guys unknowingly walk into the toilets & straight out!



Special Import Just Legal Teens In Tights 6

- Just turned 18 & ready for the picking! Pretty, skinny teenagers (who will soon grow into the fat german women we know & love), put on tights & show off their sexy slim legs to the camera. Then they fuck doggy style with a hole torn in the tights.

Special Import Sock Sniffing & Foot Fetish 7

Men love women's feet & they're even better when they take off their shoes, their feet are still warm & smelly. Sniffing women's feet is a massive fetish in Germany & here are 15 scenes of just that, followed by the men using the women's feet to climax.

Special Import Peeping Tom 8

- A mixture of footage shot by several experienced peeping toms, who know how to discreetly get the footage without the woman knowing they're being filmed (not easy!). Footage of hotel rooms, bedrooms, changing rooms, public toilets etc. Includes intercourse & WS.

Special Import Teenage Handjobs For Cash 9

-They obviously wouldn't do it for free, so these 30 pretty teens aged 18 & 19 are paid 200 Euros to give handjobs to strangers who are brought into the studio, off the street (all 30 men agree to a handjob from a pretty teen girl).

Special Import Pregnant Bathroom Fetish Sex 10

Pregnant women with swollen bellies, milk filled tits & erect nipples. All ready to drop their load at any time. Each woman performs bathroom fetish then has sex with their partner. Oral, anal, vaginal, lesbian. Hairy muffs & shaved muffs. All filmed in close-up.

Special Import Housewives In Uniform Spanking 11

- Not your average housewife, but featuring 18 of the prettier, more youthful housewives putting on genuine college uniforms. They each pose in front of the camera before bending over the other one's knee for a good hard spanking. Hand, slipper & ruler all used for the desired effect on bare bottoms.

Special Import Matures In Bizarre Sex Rituals 12

- 30 older women aged 55+ taking part in weird bizarre sex rituals. Anything from a mute nun receiving lesbian strap-on sex up the bum to a 75 year old granny using a sex machine to bring herself to climax. Some graphic scenes of enema's. Also, hard & soft sports.

Special Import The World's Oldest Dominatrix 13

- Yes, we have it! Direct from Germany & brand new this year - Olga Henstein is probably Germany's oldest dominatrix porn star. Aged an amazing 87 & still performing on camera. She is said to have turned to porn, when her husband died in her fifties & she was left penniless. She's worth a fortune now.

Special Import - Drunk & Stoned Indian Hookers 14

Niche porn at it's best. This is the first of its kind - just imported. Indian & Pakistani hookers who work to support their alcohol & drug habits are filmed fucking their clients for small change.
